

K-LOVE is an important part of my life. We listen to it when we wake up, in the car, at home, and when we go to sleep at night. In fact, my three children will not allow me to listen to anything else in the car. This radio station is appropriate for all ages, I don't have to worry about what my 9, 11, or 13 year old is listening to. It provides a service of inspiration and positive thinking to our community and peace and joy to those who listen regularly. If you allow this radio station to be displaced, it will leave a BIG hole in the lives of MANY people. PLEASE, PLEASE keep our signal strong and clear!!!!
